To: Ronan James McAdam <ronan.mcadam@cmcc.it>, Antonello Squintu <anto.squintu@gmail.com>

Ciao Ronan, Antonello,
please book these dates (11-13 September) in your calendar: we'll have the CLINT GA in Sweden.
I take this opportunity to introduce you:

Ronan, Antonello will join us on July, the 1st, to support our CLINT activities (mainly WP5) in place of Carmen.
Antonello, Ronan is responsible for our WP3 activities on heat waves (task 3.2).

Sorry for the short presentation, we'll have time to better introduce you..

Best,
enrico

Subject: CLINT General Assembly 2023
Date: 10 June 2023 at 08:31:14 CEST
To: clint-all <clint-all@polimi.it>

Dear all,

as many of you know, this year's CLINT General Assembly will taken place at SMHI's headquarters in Norrköping, Sweden, from the 11th to the 13th of September. You are all invited to join, and can register your participation via this form: https://docs.google.com/forms/d/e/1FAIpQLSezr3WtC_0ATBIA1gtvaSwhcxhY8fztKxWQDoPWCO6qhGtrA/viewform

This is the rough agenda for the assembly:

Monday morning (optional, for those who choose to travel Sunday): flexible workshops/interactions between work packages

Monday afternoon: WP updates; PO intervention; interactive session

Monday evening: free

Tuesday morning: breakout session on hotspots; selected talks

Tuesday afternoon: selected talks; AB comments; planning CLINT's next steps; interactive session

Tuesday evening: social dinner

Wednesday morning: brainstorming workshops (with HEPEX)

We will soon circulate a more detailed, hour-by-hour agenda. For those interested, from Wednesday afternoon to Friday there will also be a HEPEX workshop in the same venue.

Finally, Ilias has kindly put together some information (see attached) regarding traveling to and accommodation near the venue.

Look forward to catching up with you there.

All the best,
Guido

Dear Ronan,
nice to virtually meet you, looking forward to introducing to each other live.
The CLINT GA will be a nice occasion. Thank you, Enrico, I wrote down the event in my calendar.
Best Regards,
Antonello

Dear Antonello,

I look forward to meeting you when you start!

On the note of meetings, there will also be a CLINT "coding sprint" in October (date TBC). This will help develop the software produced in CLINT and kick start the climate service development. It's something to discuss once you are settled.

Best,
Ronan
